Site that do not qualify are those with Sexually explicit, obscene, or pornographic; Offensive, profane, hateful, threatening, harmful, defamatory, libelous, harassing, or discriminatory (whether based on race, ethnicity, creed, religion, gender, sexual orientation, physical disability, or otherwise); Graphically violent, including any violent video game images; or Solicitous of any unlawful behavior.
- 3.) Sites that are simply not in our best interest to associate with professionally.

Yes. As a small business we have some constraints on how much we can discount and payout and still keep the business afloat. Thus, we do not offer commission on wholesale or bulk orders.

### **How do I create links?**

Once your account is created, you will be able to access your personalized tracking URL as well as banners and graphics for your website.

All links from your site to our site contain a unique Affiliate code so that every time a user comes to us via your link, you receive credit when a purchase is made.

If a user returns a product for a refund, or if credit card charges are reversed due to a dispute or credit card fraud, your account will be debited for any commission earned on that transaction.
